

Frequently asked questions

Got a question? We've got answers !

- **What is a Research placement?**

A research placement is 2 weeks hands on experience with an organisation conducting research. We cover the East of England and London.

- **How long are the placements for?**

A research placement is for 2 weeks over the summer holidays, with a further week of time required to complete your report and poster. You must be available for 2 consecutive weeks to carry out your placement.

- **What do I need to participate?**

There is eligibility criteria that you do need to meet, please visit www.stempoint.org.uk/research-stem to find out more.

- **Does it cost me anything?**

Nope ! Our Research placements cost you absolutely nothing, we even reimburse you for your travel costs.

- **What's the benefit of doing this placement?**

There are so many reasons why our research placements will benefit you but to read them all please go to www.stempoint.org.uk/research-stem

- **Where my placement will be?**

We try our very best to match you with a placement as close to your home location as possible as well as finding you the best matched placement based on your preferred subject choices.

- **How do I apply?**

To apply, please visit www.stempoint.org.uk/research-stem and hit the apply now button !
