

A heartfelt appreciation goes out to all the STEM Ambassadors who generously contributed their time and expertise, significantly enhancing the success of this year's challenge. For the 23rd consecutive year, STEMPOINT successfully delivered the Go Construct Knex Challenge in primary schools across Hertfordshire, Luton, Suffolk, Peterborough, and Essex. Over 250 challenges were conducted by a team of more than 60 dedicated STEM Ambassadors, positively impacting **8,713** students in **163** schools.

The judges spent many hours discussing each of the winning class models and deciding on the overall regional winners (from Herts/Luton and Essex/Suffolk/Peterborough areas). We are pleased to announce the winners:

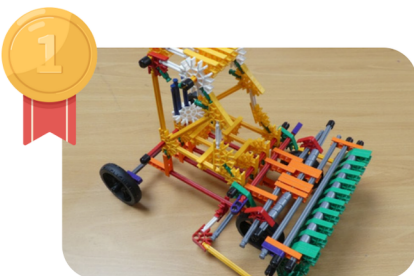

Stapleford Primary School, Hertfordshire

High Beeches Primary School, Hertfordshire

Whitehill Junior School, Hertfordshire

Hardwick Primary School, Suffolk

Stonham Aspal Primary School, Suffolk

Birchwood Primary School, Suffolk

All of our winners will each receive a K'Nex Kit and certificate to take home and a trophy for the school cabinet.

An Engineering Challenge for primary schools located within Hertfordshire, Luton, Peterborough, Essex and Suffolk

With thanks to sponsorship from GoConstruct, Endava and MBDA plus volunteer support from GoConstruct STEM Ambassadors, we are able to offer this popular workshop to schools for just

LIMITED SPACES AVAILABLE £65 per day

Morning & Afternoon with a max 72 children per day / 36 children per session

Would your school like to take part in The Go Construct K'Nex Challenge in 2025?

Please look out for the flyer and registration link in September!
